VOYGAR
QUALITY IS OUR CONCERN

VOYGAR Fibre optic 12 LC UPC OM4 Fibre adapter faceplate for high density panel.

Ref. HDNLDX22

Fibre Adapter plates are needed to complete your fibre patching or splicing solution. We offer both black and light grey colour plates, single mode, multimode, and a wide variety of adapter configurations.
Our fibre adapter plates are compatible with all fibre patch panels except for the Optimum Series. Since our adapter plates are designed to a common industry size, LGX form factor, they may also be compatible with many pre-existing patch panels.
Fibre Adapter Plates can be ordered individually or pre-installed into select fibre optic patch panels.

Key Features

Available in Light Grey and Black.
Plate Features common LGX foot print size.
Compatible with any Fibre Patch Panel that
Supports LGX Foot Print Adapter Plates.
Constructed out of lightweight aluminium.
ANSI/TIA-568-C.3 and TIA/EIA-604 FOCSI compliant.
