ECORACK 19" FLOOR MOUNTED Type 600x800MM CABINET

ECORACK FLOOR MOUNTED series are designed to provide optimum performance with a professional technical and aesthetic look for a wide range of applications in the data, security, audio visual and telecommunication field and available in range of heights and depths. Strength, ease of use and aesthetics are priorities of ECORACK FLOOR MOUNTED design.
Each cabinet has a ventilated roof for better air circulation. Fully adjustable front and rear profile rails and large cable entries of the cabinet make this product extremely attractive to installers.
Each rack consists of up to 1.5 mm strong steel sheet material which ensures a very good stability as a robust steel construction due to special plate curving technique and a load capacity up to 600kg can be reached.
An extensive accessories portfolio for plinths, shelves, cable management, etc. will help to meet many requirements in daily use.

General Features

- Safety class rating IP20
- 360° spendable with castors
- Ventilated roofs makes air circulation better and reaching fan modules easier
- Roof corners are closed with plastic corner
- Swing handle lock fitted to glass front door and solid metal rear door
- Full height front and rear adjustable galvanized steel 19" profiles
- 19" profiles marked with U height position
- Large cut out in base and roof for cable entry
- Roof is prepared for fan units (punched out entries)
